amazing!

“... the Son of Man has come to seek and to save those who were lost.” – Luke 19:10

The film *Amazing Grace* was set in the late 1700s. It tells the story of William Wilberforce, a politician who was driven by his faith in Jesus to commit his money and energy to abolishing the slave trade in England a hundred years before it was abolished in the U.S. In one scene, Wilberforce’s butler finds him praying. The butler asks, “You found God, sir?” Wilberforce responds, “I think He found me.”

“A private faith that does not act in the face of oppression is no faith at all.”

- William Wilberforce 1759-1833

The bible pictures humanity as wayward and wandering sheep. It says, “All we like sheep have gone astray; we have turned, everyone one of us, to his own way” (Isaiah 53:6).

In fact, this wayward condition is so deeply rooted in us that the apostle Paul said, “There is none righteous, no not one; there is none who understands, there is none who seeks after God. They have all turned aside” (Romans 3:10-12).

That is why Jesus came. We would never seek Him, so He came seeking us. Jesus declared His mission with the words, “the Son of Man has come to seek and to save those who were lost” (Luke 19:10).

Wilberforce had it exactly right. Jesus came to find us, for we could never have found Him if left to ourselves. It is a clear expression of God’s deep love for his lost creation that He pursues us and desires to make us His own.

Believe today that you are lost in sin and need a Savior. Believe that Jesus was sent from His Father to die in your place to pay for all your sin. Believe that He rose again from the grave to prove that He has power to forgive sin and give new life to all who trust Him as Savior.

As the old hymn says...

“Amazing grace—how sweet the sound—that saved a wretch like me.
I once was lost, but now I’m found; was blind, but now I see.”
– John Newton
